First Home Buyers Make Your Move

Situated in a quiet location sits this appealing and low maintenance cottage with a bullnose verandah which would be ideal for the first home buyer or one to add to your investment portfolio.

With polished floorboards throughout, the home has a character feel while offering a contemporary lifestyle. The hallway leads to all 3 of the bedrooms with 2 of them having built in robes while flowing onto the large lounge room area with a reverse cycle air conditioner. The kitchen/meals area is located to the rear of the home and offers cupboard/bench space and a gas oven. The bathroom is a standout and has been modernized with a generous shower alcove and a separate bath. The laundry is positioned at the rear with the separate toilet being close by.

Externally is a blank canvas and is ready for you to add your own personal touch (STCC). The front and back yards are of low maintenance while having a rear pergola area and a double garage space.

This property has plenty of potential and provides a great opportunity to bring back to its original charm.
