

23 Fifth Street, Port Pirie

Perfect Entry Level Property to Enter the Market

Positioned close to the CBD, sits this neat and low maintenance property which is perfect for those buyers in the market searching for their first home, looking to downsize or an investor wanting to add to their portfolio.

Upon entering, you are welcomed by the lounge/living space with split system air conditioner with floating floors which flows through into the formal dining space. The kitchen is spacious in size and offers cupboard space and a gas oven.

The main bedroom is located to the front of the home and is large in space while the 2nd bedroom is located off the dining space. The bathroom is tastefully tiled and has a separate shower, bath and the laundry and toilet are located separately but nearby. An added feature of this home is roller shutters on the front window for extra privacy and security.

Externally, the home has a rear pergola area with blinds, carport to the side of the house with electric roller door and a garden shed.

This is the perfect home for low maintenance and easy care living and is well worth an inspection to see the potential on offer.
